

"Don't let what you can't do stop you from what you can do"

We are looking to hire a personal trainer who wants to teach group fitness with seniors and adult boot camp in the evenings and Saturdays. We provide the clients; you facilitate the training and follow the proven system we already have put in place with your personality. You can also get creative with your own workouts. There's a class waiting for your encouraging voice and energetic personality.

Responsibilities & Attributes

- Provides excellent customer service by promptly responding to member needs and concerns
 - Develops positive relationships with class participants by teaching a variety of challenging and entertaining group fitness classes
 - Educates class participants on correct form and alternate moves during the fitness routine
 - Attentively listens to members, answers questions, and engages in conversation before and after classes
 - Provides current music ensuring appropriate language and sound system
 - Cleans and organizes studio after each group fitness class
-
- Enthusiasm
 - Really brings the energy to teaching group fitness and the boot camp, this is critical that you have this
 - Drive to succeed
 - Be a go getter, self-motivated
 - Maintain a positive and happy personality
 - Stable and looking for a long term position
 - Teachable and takes instructions well
 - A team player and likes working with other trainers
 - Really cares about people and their wellbeing
 - Cares about your own health and fitness and represents that
 - I will train you to be a great trainer if you aren't yet, some experience preferred since we have sessions to **GIVE you NOW** - you can also train with some of our current boot camp instructors to learn how we operate
